Objective

With an affinity for stories that span the human experience, I am drawn to beautiful imagery, writing, and tales that leave viewers with a new understanding of their reality. Through multi-disciplinary hands-on experience in all phases of production, versatile like a Swiss Army Knife with a smile, I am a dream factory keen for stories that entertain, inform, and inspire.

Experience

Video Production Specialist 2020 - 2021

System Soft Technologies — Tampa, FL
